I'm working remotely today, but you can come to our 330 end of the day wrap up meeting. Each morning at 830 we have a management briefing, 930 HQ national call on Gold King Mine, and 1100 area planning call with R9. I will see you Wednesday.

Subject: Shadowing this week

Peter just asked me if I could shadow you this week. I am available this afternoon, Wednesday and Thursday. Does that work for you?
